## HOW TO USE THIS BOOK

- 1 This book is divided into separate badge lists for each section.
- 2 Each section has a current listing of what is available for that section.
- 3 Listed in each section is the original UK badge numbers, cross-referenced to the Canadian badge number and cost from the Quartermaster.
- 4 All of the Otter badges, and Timber Wolves, and some of the Explorer badges have been Canadianized from a badge supplier. Other badges will be changed based on most frequently ordered and as money becomes available.
- 5 All taxes including Foreign exchange and any import costs are included within the cost of each badge or item.
- 6 The only other cost added to your bill will be the postage at cost for your order closest to \$0.25 as possible.
- 7 With your first order your group and or section will be given an account number  
You may order your items through your group committee or as an individual section within a group, this would depend on how your groups sections financials are set up within your group.
- 8 Any outstanding money owed will be added to your next order.
- 9 All cheque's are to be made payable to **T E A C O QUARTERMASTER**
- 10 Items in RED have not yet been Canadianized and their pricing is estimated based on the Quartermaster quantity order from the supplier.
- 11 Badges or items without prices either new, or have not yet been approved, or have not yet been ordered from the supplier. Pricing will be added when they become available or when funds become available to order them from the supplier.
- 12 Please refer to the Canadian numbers when ordering items.
- 13 This book will be updated periodically as new items are added or where prices have changed.
- 14 You will be notified as soon as possible of any price increases from any of the suppliers that affect the listed price.
- 15 **Please note items in yellow are restricted to BPSC Traditional Explorer groups only and must be registered with the Association to order these items from the catalogue.**
- 16 ***Bullion Badges***  
The following badge are listed twice, one as a regular badge, the other as a bullion badge they are.  
Sr. Explorer - Regular badge # 474 and the Bullion # 480  
Rover Knights youth - Regular badge # 605 and the Bullion # 617  
  
The difference is the regular badges use regular thread only and are flat looking.  
The Bullion badge uses a combination of regular thread and metal wire thread which give the badge a 3D look, you can use either one.
- 17 ***Please note***, All outstanding invoices will be charged 2% interest after 45 days past the ship date each month thereafter 1.5% compounded monthly will be added to each invoices total owing.
- 18 ***NFS Cheques*** will be charged \$25.00 plus any back charges to TEAC Quartermaster account

**SHIRTS**

Please follow the instructions below for ordering shirts  
ALL MEASUREMENTS ARE IN INCHES

- Neck measurement;** Measure around the lower part of the neck, placing one finger between the tape measure and the neck.
- Arm measurement;** Measure from the lower part of the neck, across the shoulder, down the arm to the wrist.

Please remember that your youth are still growing and will be wearing the shirt for 3 years, order your shirts larger, your youth will grow into them.

Record all measurements for each shirt separately

If your measurements fall between 2" sizes then go to the next 2" up.

All prices shown above are from the QUARTERMASTER STORE  
This will give you an idea of the shirt cost without the shipping

Shirts can be ordered with long sleeves or short sleeves, see listings.

**PRICING;** The price listed is the store base price, based on the following costs.

- 1 Shirt cost
- 2 HST cost
- 3 Delivery cost to the store

Shipping cost to you will be added to the base price, and that charge will depend on your postal code.

**Shirts marked (SPECIAL ORDER) are made to order, delivery time could be up to 10 weeks**  
**This includes TALL shirts which are 2" longer in the length. Indicate this (TALL) when ordering.**  
**Make sure that you include the sleeve length for long sleeve shirt orders, the standard sleeve lengths fall between 26" for the shortest length to 40" for the longest length.**  
**Order sleeve lengths in 2" increments only. 28", 30" 32" etc. ( do not use 1/2" measurements)**

**Remember to include the back length measurement too.**

Examples; 13" neck x 32" sleeve ( order shirt as **UN10XX-13 x 32** )  
13" neck x 34" sleeve ( order shirt as **UN10XX-13 x 34** )  
Short sleeve, you need only to use the neck size when ordering. (**UN10XX -15**)

Shirts with our label will have neck measurements plus 1/2" added to that neck size as a standard shirt so a 15" neck will actually be 15.5", for both long and short sleeve shirts.

**\*\*\*\*Shirts not in stock at the factory can take up to 10 weeks for delivery.**

**Once a special order has been placed it can not be cancelled.**  
**I can give you a better idea as to the actual cost.**

# STETSONS / BERETS

## Measuring for a Stetson / Beret

Keeping the head straight, using two fingers just above the eyebrows measure around the head including the bulge at the back of the head. This will allow the Stetson to sit properly on the head and not at an angle. List each head measurement separately then order under the Stetson order number.

Although both youth and leaders can wear either Stetson type, typically the youth would wear the less expensive Stetson.

**Prices listed are based on a minimum order of 3 Stetsons**

**PRICING;** The price listed is the store base price, based on the following costs.

- 1 Stetson cost
- 2 HST cost
- 3 Shipping to store

Shipping cost to you will be added to the base price, and that charge will depend on your postal code. Leaders can wear either Stetson type.
